Dear Friends,

This week the Newman Center will say good-bye to a dear friend. David Mares has been on our staff for only a little more than a year and a half, but he has been a part of the Newman student ministry for more than 6 1/2 years. Perhaps you thought this was going to be another article about the Papal resignation. Well, more than one conspiracy-minded person has seen David and the Pope resigning simultaneously as more than mere coincidence. ;-)

When David moved to the UofA in the summer of 2006, he showed up at Newman with his guitar in hand and said "put me to work." From that time until this, David has been a leader in this community. With the exception of his leading music for worship, much of David's influence has been behind the scenes: helping to create the templates and directions of various campus ministry programs. David's degree from the UofA is in mechanical engineering and one can see an engineer's designing touch in the systematic way he approaches ministry. From design to implementation, every program of our campus ministry has benefited from David's unique approach.

Since David became a member of our staff, he has put his engineer's touch on redesigning our web-site and our program of electronic communication for our programs. He has also been single-handedly responsible for maintaining and updating the various pages of the web-site. As David prepares to depart, he has handed over these responsibilities to a team of computer-savvy students who promise to follow David's example in keeping us looking good electronically.

In recent years, David has become something of a minor celebrity among young people around Arizona. Through his involvement in Youth Ministry conferences, parish youth retreats and Life-teen programs, he has built a loyal clientele for his talks, presentations, and music. I have been very proud of David and many of our other students who have become ministers in their own right bringing the Gospel to the next generation.

David's first ministerial love is music. He was already an accomplished church musician when he arrived in Tucson and has been the real driving force behind our music programs in recent years. It has been amazing to watch him grow as a musician and to see him work with other students encouraging them to use their gifts and talents in service of the Lord and his Church. David writes a lot of music as well. I have been encouraging David for 2 years to publish and record his settings for Responsorial Psalms so that the broader Church can benefit from his talents. I have also known that music would be the ministerial path that David would eventually tread. David has accepted a music ministry position at St. Timothy's Parish in Mesa. I am sure that this will only be another launching pad for this very talented and driven servant of the Lord.

As David goes forward with his plans, we wish him God's richest blessings and we thank him for his commitment to ministry at Newman for the last 6.5 years. We will miss him very much and our campus ministry and music programs will not be the same without him.

Peace,

*Fr. Bart op.*

# LENTEN REGULATIONS AND REMINDERS

Everyone 14 years of age or over is bound to abstain from meat on all Fridays of Lent.

Everyone 18 years of age and under 59 years of age is bound to fast on Good Friday.

On those days of fast and abstinence, only one full meatless meal is allowed. Two other meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together should not equal another full meal. Eating between meals is not permitted on these two days, but liquids, including milk and fruit juices, are allowed. When health or ability to work would be seriously affected, the law does not oblige.

To disregard completely the law of fast and abstinence is seriously sinful.

Lent is the principal season of penance in the Christian year. Priests, religious and laity are strongly urged to develop and follow a program of voluntary self-denial (in-addition to following the Lenten regulations), serious prayer, and a performance of works of charity and mercy.

## DISNEY MOVIE NIGHT!

Come join us Saturday, March 2 at 7:00 PM to watch your favorite Disney movies and to relax after a long week at school! There will be snacks! Bring your friends!

## "JESUS OF NAZARETH" STUDY

Fridays at 11:00 AM

We invite all undergrads to join Fr. Bart in a study of Pope Benedict XVI's book, "Jesus of Nazareth," which is a study that uses scripture to answer the question of who is Jesus, so that we can come to know him more!

## KINO INITIATIVE

Do you like volunteering? Do you want to participate in a social justice event at Newman? Do you love God and want to help his sons and daughters? If you answered yes to any of these questions, then I urge you to join the Kino Initiative here at the Newman Center. Every two weeks we prepare food and go to Mexico and serve breakfast to our brothers and sisters who have just been deported. Don't look at it politically, because we don't. We do it for humanitarian reasons.

Join us Friday, March 1 at 5:30 PM, at Newman to prep the food. If you have a valid passport, email me at [cylirasaavedra@email.arizona.edu](mailto:cylirasaavedra@email.arizona.edu) to sign up to go to Mexico. This is a life changing experience which will only bring you closer to God and will allow you to serve your brothers and sisters.

## THANK YOU RCIA LUNCH HOSTS FOR FEBRUARY 17

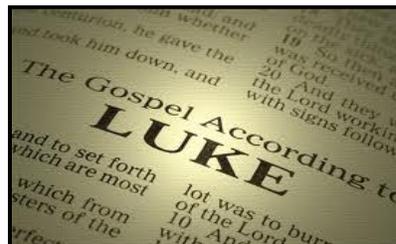

Thanks to Manuel Duarte and Ana Garcia who provided a yummy lunch of spaghetti, salad and garlic bread to our future Easter Catholics (those attending the Right of Christian Initiation for Adults), the Team and Sponsors. We appreciate your time and generosity in feeding us in body and spirit!

# Uniquely Luke

Wednesday Mornings 8:00 AM  
NEWMAN CENTER CLASSROOM

Some of our most beloved Bible stories appear only in Luke's Gospel. This includes both details about Jesus' life (the Annunciation to Mary, the Visitation, the encounter with Zaccheus) and some of his best known teaching stories (the Prodigal Son and the Good Samaritan). Additionally, Luke focuses on different details in the stories he shares with the other Gospel writers. In Liturgical Year C, the year of Luke, we will explore some of these uniquely Lucan tests to see what they tell us about Luke's unique take on the Good News of Jesus Christ. Each Session will stand on its own, so even if you cannot make all the sessions, you are welcome to those you can make.
