Dear Friends

This will be the last full-size bulletin of the summer. In the spirit of summer reductions, we will publish a one page bulletin until mid august when our programming begins to pick up again.

### SUMMER CLOSURE

As we have done for the last several years, we will close the Center for two weeks during July. This is a cost-savings measure that gives the building and all our equipment a rest, shuts down the use of utilities and gives us a little financial break as the staff is technically "furloughed" during the 2 weeks. In previous years, we have observed the closure late in July. This year, when we close the office at the end of business on the 3rd of July, it will remain closed through Friday July 19 (with the holiday it is a little longer than 2 weeks). What does the closure mean - the building will be locked, there will be no weekday liturgies or Masses, the staff will not be available (although we will check messages and be available through email, should you need to contact us.) Most of the staff will actually be on vacation during this time. PLEASE UNDERSTAND: THE WEEKEND SACRAMENTAL SCHEDULE WILL NOT BE AFFECTED BY THIS CLOSURE. WEEKEND MASSES AND CONFESSIONS WILL HAPPEN AT THE REGULAR TIMES ACCORDING TO THE SUMMER SCHEDULE.

### PARISHIONER MEETINGS

I am looking forward to the meetings I have scheduled during the 1st and 2nd week of June (see the facing page). As I have stated, the substance of the meeting is aimed at you and I preparing together for the pastoral transition that is coming a year from now. Obviously, when I leave, I would like the transition to be as smooth as possible and I certainly have some ideas of what needs to be done for that to happen. But the more voices involved in evaluating and planning, the more likely that smooth transition can actually occur. I hosted a number of listening days early in my time at Newman and very few people showed up. I hope that will not be repeated this time. I really want to hear from you so that we can work together in the next year. As you can read on the next page, the focus of these first meetings will be the Mission of the Newman Center. While transitions necessarily involve "mechanics" (finances, staffing, particular programming, etc.), in the context of every organization (and especially in the context of the Church) such considerations must be subordinated to the question of Mission. All structures of our Parish must serve our mission. We will be looking in detail at the question of Mission and I look forward to your sharing with me your hopes and concerns regarding the Mission of the Center at the meetings beginning next Sunday. If you have any concerns regarding these meetings or questions, please feel free to contact me during this week.

### GRADUATION CONGRATS

A number of our families have had children graduate from high school in the last couple of weeks and I am proud of them: Those that I am aware of are **Nicholas Bowman, Caleb Robinson and Matt Sisson**. Also congratulations to **Sami and Marianne Madden** who were part of the largest graduating class ever at Pima CC. Congratulations to all these kids of Newman Families!

Peace,

**Assessing our Mission in Preparation**  
**For Pastoral Transition**

In any organization, transition of leadership provides an opportunity to assess the organization and focus on planning for the future. It is all too easy to focus such assessment on the “mechanics” of the organization. Within the Church such a focus gets in the way of the reason we exist: the Mission of the Church.. As the Newman Center prepares for a change of pastor, it is important for all those who are part of the Center to participate in assessment and planning for the future. It is also important for that assessment to start with Mission before it looks at mechanics. These first meetings will do precisely that: focus on the Mission of the Center. It is our plan to host two more series of such meetings (one series in the fall and one in the spring) to keep the discussion alive.

**Sunday, June 2 at 11:45 AM** (immediately following the 10:30 AM Mass)  
**Wednesday Evening, June 5 at 7:00 PM**  
**Saturday Morning, June 8 at 10:00 AM**  
**Tuesday Evening, June 11 at 7:00 PM**

**GREEN HALL (Downstairs)**

**Refreshments Will Be Served**

**OUR MISSION: To be the Presence of Jesus Christ on the Campus of the University of Arizona**

**OUR PROMISE: The entire Newman Community will work together to create an environment where university students are formed to live their Faith more intentionally and future leaders are formed for the Church and the world.**

\*Questions for the Table Discussion:

1. Given that the Newman Center is a Parish with a very specific mission, why have I chosen to make Newman my parish home?
2. In what way do I see myself as a co-minister reaching out to the University’s Catholic community?

\*\*Focus for the “Listening Session”

Summary of the Table Discussions

As we prepare for a transition in pastoral leadership,  
I hope the Newman Center...  
I am concerned that...

Members of the Student Community who are in Tucson are welcomed to participate in these meetings, but the focus will be on the Permanent Community. Students will be invited to participate in the transition process beginning in the Fall
