## WELCOME TO OUR NEW RECEPTIONISTS

We would like to welcome our 4 new receptionists who are students attending San Miguel Cristo Rey High School. These students are part of the Corporate Internship Program (CIP). Participating in CIP is a great way to give back to the Tucson community. The impact of our support will extend far beyond this community in the years to come. As a corporate partner we are supporting the education and workforce development of our youth. All of the money earned by the students at their internships goes to offset the cost of their tuition at San Miguel Cristo Rey High School. So, not only are they receiving valuable job skills through their work experience, they are also paying for about 60% of their tuition costs and gaining a college and career preparatory education. As a result, the students will be prepared to lead our city, state, nation and world in whatever field they choose to pursue in the future.

## ELECTRONIC FUNDS TRANSFER

The Newman Center has EFT available to make it possible for you to make your regular contribution by automatic deduction from your checking account. This is intended to help those who would like help being more intentional with their regular parish stewardship. Pick up an Authorization Form at the Newman front desk.

In honor of the 50th anniversary of the dedication of the Newman Center church, the Center is creating a new outdoor Marian devotional space within the existing rose garden in front of the Center. Students, alumni, parishioners, parents, benefactors and friends of the Newman Center are invited to purchase engraved bricks which will pave the renovated space. Each brick is \$100 and can be ordered at the Newman front desk.
