Fr. John Paul's Spiritual Brew

How goes the journey? Are you finding a little progress in creating more space for prayer? Refraining better from unhealthy habits? And, maybe recognizing the needs of others around you more clearly?

Lent invites us to do the “spring cleaning” necessary - even in the continuing and shifting tides.... of social distancing, a raging war in the Ukraine and Russian region, and the call of Holy Father Pope Francis....to mirror Our Lady’s fidelity “to better hear” God’s “knocking at our door” and to answer and say “yes” to life and dignity.... in ALL its expressions and challenges.

Today’s Gospel brings us into contact with a blind man who is seeking healing from Jesus. Jesus cures him by restoring his sight, and awakening faith within him. All are amazed by his healing, and the religious leaders of his time seek answers to his mysterious restoration of sight.

The blind man’s encounter with Jesus has done more than restore his sight... it has brought him ‘sharper vision’ to articulate his faith, and to witness ‘God’s transformative action’ in his life! When he is questioned by the religious leaders of his time... he courageously defends what has happened to him, without any hesitation.

This is what occurs... when we grow... in the truth and “transforming” love of God’s presence in our lives! God ‘opens’ the eyes of our hearts.... and vision rushes into our whole being... heart, mind, and soul! As this sight comes... we are filled with the light of truth..... and, are able to witness... - how HOW GOD heals.... the blind spots of our lives... and gives us the freedom... to really see... love... and respond... effectively.... to others.

It’s hard to believe that as of this week.... we have been in this pandemic for almost three years! What have we learned? Has our sight sharpened or dimmed in any significant areas of our lives? Has the enforced ‘social distancing’ been beneficial in any way? Or, simply a burden we’ve had to carry.

How has our faith been challenged to increase, thus far.. this lent? Have we been able to identify some areas of our life with God, others, and self..... that can be healthier, more honest, and more true? Receiving “sight” can allow us.... to better navigate our fears and doubts... and to walk with greater ‘hope’ on this road called life.

As celebrate the anniversaries of Fr. Tom, Sr. Mary V, and Sr. Elizabeth... May we be strengthened in our own faith commitment. May their witness of many joyful years of religious life... ‘stoke’ the fires of our faith, hope, and love.

May the rising vision that is “springing” from our Lenten practices - provide us with

Ukraine Relief: On the weekend of March 26-27 all parishes throughout the Diocese of Tucson will join with parishes across our nation to take up the annual collection for Catholic Relief Services. While this is an annual collection to support international aid projects, much of those funds will now be diverted to Ukraine relief. A second diocesan-wide collection will be taken up at all parishes on the weekend of April 2-3 for the Catholic Near East Welfare Association and Pontifical Mission, a papal agency founded by Pope Pius XI in 1926 with direct ties in Ukraine and Poland. The funds from that collection will be forwarded to their partners in Ukraine or in the countries where the refugee population continues to increase dramatically. Your generosity to these collections will be a great help to a people suffering greatly. May God bless you abundantly. Bishop Edward J. Weisenburger

GATHER THE PEOPLE; BREAK THE BREAD; TELL THE STORY.

Her father pointed her to THE MAN she would marry! After all, what Raul R. Gomez saw in Jay Bell was a handsome young bachelor working on his Masters Degree in Athletic Training. Raul, himself was a high school teacher and coach and he and wife, Ruth, had a beautiful daughter, Tina, of marriageable age. When Raul met Jay, assigned to the Sahuaro campus by the UA training program, he knew Jay would be his son-in-law.

Jay and Tina had a lot in common: both middle children of 3 siblings, college degrees, single, hard-working. Jay was born in Akron, Ohio and graduated from Kent State University. Tina was born in Tucson and attended public schools: Whitmore Elementary, Townsend Junior High and Catalina High earning her B.S. at the U of A.

After their wedding (40 years ago December of 2021) Jay and Tina moved to Lubbock, TX and then to Houston where he was engaged as an athletic trainer. They returned to Tucson and Jay was hired as trainer at Amphi High. Tina was employed by Amphi Schools in Human Resources and Pay where she stayed for 25 years. Jay, looking ahead, planned to go into the College of Pharmacy at the UA. He worked hard to pick up classes needed for that major—math and science at Pima College. For 14 years he has served in many different pharmacy areas. Currently, he is working with El Rio Health and Walmart Pharmacies.

Newman became home to Jay and Tina after the death, in 2000, of her parents, whom they cared for. At their joint Funeral Mass, Jay had a serious desire to receive communion. He kept hearing Ruth's voice telling him to become a Catholic, which he did in 2001 at Newman. They count the wonderful people, the spirituality of the friars and sisters, and the small community as reasons for their stay here at Newman.

Until Covid, the Bells were active as Eucharistic Ministers with Tina counting collection monies and Jay also involved with the Knights of Columbus and Lectoring. At Covid Time, Tina had a serious health crisis which bowed her, but did not break her. She and Jay know personally how powerful the Blessing of the Sick oils are and also the power of support, love and prayer from the community. Newman is truly Home. COMING SOON, TELL YOUR STORY!

STEWARDSHIP REFLECTION

Note: We are using Cycle A Readings for the 3rd, 4th & 5th Sundays of Lent in solidarity with our RCIA Elect

Today's readings are filled with contrasting images — God's vision versus human vision, spiritual blindness versus spiritual sightedness. Embracing a stewardship way of life can free us from spiritual blindness and help us to reflect the light of Christ's love in our daily lives.

In our Gospel passage from John, Christ restores sight to a man born blind. The man says that Christ "opened my eyes." These Lenten days are an excellent time for us to ask Jesus to open our eyes, too. Let us ask Him to show us where we may be suffering from spiritual blindness, perhaps even in subtle ways in our use — or misuse — of time, talents and treasure.

As we continue on our Lenten journey, let's intensify our efforts in any of these areas where we have become a little blinded so that by Easter, we are truly living as children of the light.
