Dear Newman Community,

Please pray for the undergrad students on retreat this weekend. The retreat is held at La Purisima Catholic Retreat Center at a shrine built to the honor of the Blessed Virgin Mary. It is a great pilgrim destination just 30 min south of Sierra Vista. Many pilgrims come there from Mexico.

Here is a picture of the Young Adult Community at La Purisima previously. You can see the beautiful mountains in the Coronado national Forest and in your look closely is the Shrine to Our Lady.

This year pray for a record number of students attending. God bless Mr. Benton, the father of Jaime and John Benton, who is cooking. In the spring a team of our parishioner's cooks.

We are grateful for the growth at the Newman Center. Here is a picture from the first year Fr. John Paul going with a group. We are thankful for the student ministers who continually invited their friends until we have this weekend going 70 students. We will share pictures next week.

The Lord's blessings,

Fr. Emmanuel

ST. THOMAS MORE CATHOLIC NEWMAN CENTER
Pre-Campaign Study: Frequently Asked Questions

1. What is a pre-campaign study?

A pre-campaign study is a thorough and detailed assessment of a parish community's willingness and capacity to move forward with a capital fundraising endeavor.

2. Why do we need a pre-campaign study?

It is imperative for any parish that wishes to have a capital campaign to raise funds for major capital improvements to conduct a feasibility study to determine if parishioners are willing and able to support it. The final report will be used to validate the proposed projects and legitimize the effort amongst our parish community.

3. What types of questions are asked?

Ultimately, the pre-campaign study tells us who we are as a parish. Topics will include the strengths and weaknesses of the parish and its leadership, receptivity toward the proposed projects, willingness to make a pledge commitment, and willingness to volunteer for the campaign.

4. Who participates in the pre-campaign study?

EVERY parish family will be given a chance to participate. Some families will be asked to participate in one-on-one interviews or a focus group, and ALL families will be asked to complete a survey available both electronically and in-pew.

5. Why are some families asked to interview?

Families that have been parishioners for a long period of time or are actively involved in ministries are asked to interview because they are generally able to provide thorough and detailed information about parish history, current parish issues, and are usually able to properly evaluate necessary leadership potential in a capital campaign.

6. Who is conducting the pre-campaign study?

Ruotolo Associates, a philanthropic consulting firm based in Ridgewood, NJ, with over 45 years of experience working with Catholic organizations, has been retained to conduct the study. We determined that Ruotolo Associates' methodology best matched the needs of our parish community.

7. How long will the pre-campaign study take, and will we see the results?

The study will be conducted in October. After the final report is presented to the leadership, key highlights will be shared with an update on the status of the capital campaign.

Fr. John Paul's Spiritual Brew

“Good Teacher what must I do to inherit everlasting life.” This remains one of my favorite Gospel stories. The eagerness of this young person and Jesus’s loving engagement with him is so beautiful!

We want to love God and serve him with everything.... But, sometimes we don’t realize that loving him with “everything” means letting go of control! We can sometimes desire to serve Christ according to our own expectations and criteria. When Jesus looks at this young person with love and says:

“You are lacking in one thing. Go, sell what you have, and give to the poor and you will have treasure in heaven; then come, follow me.”

At that statement his face fell, and he went away sad, for he had many possessions.” He can’t let go because he’s afraid. Is this ever true for us? We want to follow, but we’re afraid to allow Christ into that deep part of ourselves that we control. If we want to fly to the heights of love and fulfillment.... we need to ‘practice putting down’ our burdens, and to embrace the soulful adventure of following Christ. “For with God all things are possible”

Amen. Alleluia
