Fr. John Paul's Spiritual Brew

Filled with the Holy Spirit, Jesus returned from the Jordan and was led by that same Spirit into the desert for forty days to be tempted by the devil. He ate nothing during those days, and when they were over, he was hungry. Another Lenten season begins. We have received our ashes. We have struggled—honestly—to embrace practices that promise greater freedom in our lives. And we commit ourselves once again to growth through prayer, fasting, and almsgiving: not as burdens, but as sacred pathways. These are all *good things*—disciplines meant to create space within us: space for listening, space for learning, space for living more freely and fully in God.

Prayer invites us, as it invited Jesus, into the desert. There we are confronted with who we truly are—the strong and the fragile, the grounded and the messy, the faithful and the unfinished. Prayer teaches us to listen... to attend... and, sometimes most importantly, to simply breathe. It reminds us that a deep relationship with Christ—through God and in the power of the Holy Spirit—is not something we earn, but a gift that is lasting and life-giving.

Fasting is so much more than giving up chocolate, alcohol, or social media. That can be a beginning—but not the goal. True fasting invites us to look honestly at the attachments that diminish us rather than help us flourish. What habit, attitude, or attachment is quietly stunting our spiritual, physical, intellectual, or relational growth? What needs to be released, reordered, or moved—so that we remain rooted in God? Healthy fasting clears our vision and restores balance to our lives. Almsgiving is the fruit of that newly created space. Jesus emerges from the desert not only hungry and tested, but grounded in the Father's love through prayer, cleansed of distractions through fasting, and filled with the Spirit. And because of that, he is free to be generous—free to offer the spiritual “alms” that allow others to rise. So how are *we* being called to rise during these precious days of Lent? As we continue to honor Black History Month, we remember a witness shaped by faith, sacrifice, and courageous charity—a history that reminds us that prayer must lead to justice, fasting must lead to freedom, and generosity must lead to oneness. Voices rooted in the Gospel have long taught us that love of God and love of neighbor cannot be separated. And as we journey through this centennial year, we do so aware that our legacy is not buildings or programs, but people—formed in faith, united in charity, and committed to walking together as one body in Christ.

May this Lent draw us closer—to God and to one another. May we guard oneness in charity, choosing compassion over division, and love over indifference. And may we do so courageously, faithfully, and with hope—remembering always: “May we be one!”

Amen! Alleluia!

THE MISSION OF CRS LENTEN RICE BOWL

CRS Rice Bowl is the Lenten program of Catholic Relief Services, the official relief and development agency of the United States Conference of Catholic Bishops. Rooted in the history of the Eucharistic Congress, CRS Rice Bowl invites Catholics and faith communities in the United States to encounter God and our global family throughout Lent by practicing the [pillars of prayer, fasting and almsgiving](#). Lenten alms donated through CRS Rice Bowl support the work of CRS in more than 120 different countries each year. Twenty five percent of donations to CRS Rice Bowl stay in the local diocese, supporting hunger and poverty alleviation efforts. Since its inception in 1975, CRS Rice Bowl has raised more than \$350 million.

Join Your Global Family in Prayer

We can't end global hunger without your help. CRS Rice Bowl's 51th anniversary presents an opportunity to renew your commitment to helping families facing hunger, food insecurity and malnutrition. When you pray, fast and give this Lent, you are making a lifesaving difference

ANNUAL CATHOLIC APPEAL 2026

In the spirit of stewardship (i.e., giving back a portion of our gifts to God), we

ask each family or individual to consider a contribution in one of the following ways.

Pledge: Make an initial payment today, then spread future payments over the remaining months of the current year. It is important that final payment is received no later than 12/31/2026.

Reflect: on the many gifts you have received from God, including your financial blessing.

Prayer: About how God wants you to use the gifts. He has given you.

Respond: By supporting the annual Catholic appeal at your parish.

HOW TO PRACTICE LENT

As Catholics, the spiritual pillars of prayer, fasting and almsgiving guide us in daily reflection on our own lives as we strive to deepen our relationship with God and neighbor-no matter where in the world that neighbor may live. Lent is a time of personal and spiritual growth, a time to look outward and inward. Especially during this time, the Church encourages us to receive the Sacrament of Reconciliation.

Through prayers, God invites us to slow down in the silence and look for him around us-in nature and in people who need us most. Our fasting is an act of penance and solidarity with people who are hungry-and it helps us feel a small part of what they are living day by day. It is in this spirit that our almsgiving is an act of love for God and neighbor.

One Simple way to enhance your Lenten experience is to participate in the CRS Rice Bowl program. During Lent, Catholic families across the United States use a rice bowl-a small cardboard box-to collect alms. We make room for God to act in our lives in new ways, and we have the opportunity to give the money we save to our sisters and brothers in need.

How to Fast for Lent

The Catechism invites Catholics ages 18 to 59 to abstain from meat and to fast on Ash Wednesday and Good Friday, and Catholics 14 years and older to abstain from meat on the Fridays during Lent.
